

Meet Our Provider

Thuy-Trang, DPM, CWSP, CCA Podiatry and Wound Care

Biography

Dr. Thuy-Trang Pham welcomes patients of all ages and specializes in treating various health concerns that affect the foot, ankle and lower extremity. Patients trust her expertise because she consistently provides high-quality care that leads to positive and lasting health outcomes. She received her Doctorate in Podiatric Medicine (DPM) from Temple University School of Podiatric Medicine. She completed her residency in Podiatric Medicine and Surgery and her fellowship in Advanced Wound Care and Tissue Healing at St. John's Episcopal Hospital. She stays up-to-date with the latest trends in her field by regularly attending conferences organized by the New York State Podiatric Medical Association.
