

# AYANNA JOLLY

## Full-Spectrum Labor, Birth and Postpartum Doula

My name is Ayanna Jolly. I am a newly trained Full Spectrum Labor, Birth and Postpartum Doula. I am a nursing student and have had a lot of service based, consumer facing roles. My goal is to empower you by providing you with the education and tools needed. My skills in the field range from Patient Care & Safety Medical Terminology, Vital signs & Patient Monitoring, Privacy/HIPAA Regulations and most importantly, Patient Advocacy and support. I look forward to supporting you and your family throughout your journey.

## About Me/Fun Facts

I am a team player, fast learner, adapts to anywhere in the work field, always wanted to work with kids or child birth since I was young, and I always wanted to know the procedures that comes with giving birth to a child, great with technology, favorite foods: seafood, pasta, chicken wings, and pizza My favorite places to travel is Jamaica and Mexico because of the scenery and the culture
