Janice Scobie, MD, MS
Cardiology

Biography

Dr. Janice Scobie has extensive experience in providing evidence-based cardiovascular care with a strong focus on primary and secondary cardiovascular disease prevention. She is committed to serving patients and communities by providing them with the tools to help improve cardiovascular health outcomes and increase heart disease awareness. She received her MD from the University of Pennsylvania, where she continued to complete her internship and residency in Internal Medicine. She completed her fellowship in Cardiovascular Medicine at the Icahn School of Medicine at Mount Sinai Medical Center. She is also a member of the American College of Cardiology, American Heart Association and American Society of Echocardiography.
